Profile

Computer Science Engineering student with a strong foundation in systems programming and AI development. Experienced in leading technical initiatives and organizing technical events as a club executive. Seeking to apply analytical thinking and technical problem-solving abilities to real-world engineering challenges within research-oriented and public sector industries.

Education

Bachelor of Engineering in Computer Science	2023 – 2027
Gopalan College of Engineering and Management	CGPA: 8.8

Sri Chaitanya College of Education	8th – 12th (PUC)
Bengaluru, India	

HAL Public School	LKG – 7th
Bengaluru, India	

Skills

- **Programming:** C, C++, Java, Python, JavaScript, Shell Scripting
- **Web Development:** HTML, CSS, JavaScript, React, Node.js, FastAPI, Figma
- **Databases:** MongoDB, MySQL, PostgreSQL
- **Tools & Platforms:** Linux, Git, Docker, AWS, GitHub, Excel, Notion
- **Core Concepts:** Data Structures, OOP, Operating Systems, DBMS
- **Languages:** English, Hindi, Kannada, Telugu
- **Soft Skills:** Effective Communication, Active Listening

Projects

Fake News Detection System

- Built a machine learning-based system to identify misleading and false news content.
- Focused on improving accuracy and reliability against manipulated or misleading text.
- Achieved high performance across multiple test scenarios, demonstrating robustness and real-world applicability.

Personal Portfolio Website

- Developed a full-stack personal portfolio using a core tech stack of HTML, CSS, and JavaScript to showcase technical projects and skills.
- Engineered a custom backend server using Node.js and Express to handle dynamic content delivery and server-side logic.
- Implemented a functional contact system to process user inquiries and manage form submissions through the backend.

Experience & Activities

- | | |
|--|---------------------|
| • Secretary, TechEon (Tech Club) — GCEM | Aug 2025 – Present |
| • Joint Secretary, TechEon (Tech Club) — GCEM | Sep 2024 – Aug 2025 |
| • Conducted technical workshops and mentored peers in development tools and platforms. | |

Interests
